

Why pick a certified translator?

■ Skills recognized and checked by the Order

OTTIAQ's certified translators must possess a bachelor's degree in translation or equivalent training, and have completed a six-month mentoring program or two years of work experience. They must also submit to an inspection of the quality of their work and management.

■ Code of ethics and regulations

OTTIAQ translators must comply with a code of ethics and regulations, in particular, concerning record-keeping and confidentiality.

■ Professional liability insurance

OTTIAQ's certified translators are covered by professional liability insurance of one million dollars per claim, up to a maximum of two million dollars per year.

■ Ongoing training

By taking part in various workshops every year, OTTIAQ's certified translators keep their skills up to date.

For all these reasons, pick a professional!
